Allphones Gift Card

The Allphones Gift Card is accepted at over 170 Allphones stores around Australia and allows the gift card holder to redeem the card value against all the latest and greatest mobile services, handsets, accessories and content. Just present the card to Allphones staff when making purchases.

How to make a gift card sale (LOAD)

1. Fold card backing at the crease.
Ensure backing stays with the card as it contains important information
2. Check that the PIN scratch panel on the back of the card is intact.
3. Swipe card through epay terminal.
4. Enter your Operator Code.
5. Select denominations from \$10 to \$250 from the menu.
If loading between \$250 - \$1,000, press [8. More...] to go to the next menu and then [1. Load 250-1000] and key in the amount in cents. There is no button for a decimal place. Eg. to enter \$259.99 key in 25999.
6. Take payment for gift card amount loaded. Then press [yes] to confirm and process the load.
7. Terminal will dial-up to the epay server. This will take approximately 10-15 secs.
8. The terminal will print out a receipt for the Store called "Merchant Copy".
9. The terminal will display "Card Accepted". Press enter again. The terminal will print out a receipt for the Customer called "Customer Copy". Please give this and loaded gift card to the customer to complete the transaction.

How to accept gift card payments (REDEMPTION)

1. Swipe Card through epay terminal.
2. Press [8. More...]. Then press [2. Redemption]
3. Key in the amount in cents. There is no button for a decimal place. Eg. to enter \$259.99 key in 25999.
4. Press [YES] to confirm redemption.
5. Terminal will dial-up to the epay server. This will take approximately 10-15 secs.
6. The terminal will print out a receipt for the Store called "Merchant Copy".
7. The terminal will display "Card Accepted". Press enter again. The terminal will print out a receipt for the Customer called "Customer Copy". Please give this to the customer to complete the transaction.

How to check gift card balance (BALANCE ENQUIRY)

1. Swipe Card through epay terminal.
2. Press [8. More...]. Then press [3. Balance Enquiry]
3. Terminal will dial-up to the epay server. This will take approximately 10-15 secs.
4. The terminal will print out a receipt showing the card's current balance available.

Is it reloadable?

No, but the card can be used as many times as a customer likes until funds have been spent or until expiry.

RRP

\$ amount loaded. There is no card fee for purchasing and redeeming an Allphones Gift Card.

Denominations of \$10, \$25, \$50, \$100, \$150, \$200, \$250, and \$250 - \$1,000 or as per terminal menu.
