

# Nokia Maps Turn-by-Turn Licence

With Nokia Maps on your mobile device, you can browse maps of more than 150 countries, search locations, plan routes, and even view a simulation of the route. Adding a turn-by-turn licence to your Nokia handset will give you clear voice and visual guidance turn-by-turn. The powerful navigation capabilities of Nokia Maps guide you along the shortest or quickest route from A to B, with voice guidance and 3D map views.

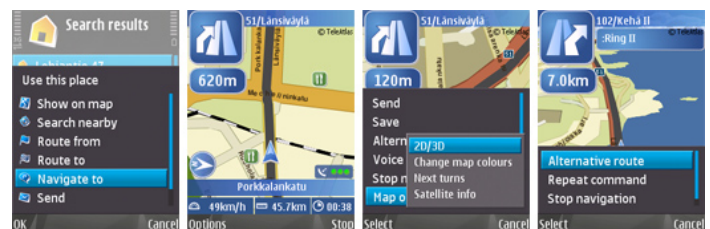

## KEY SELLING POINTS

- Gives you full turn by turn voice guidance on your Nokia Maps capable handset
- Select 2D and 3D views whilst you navigate
- Immediately upgrade your Nokia Maps enabled handset via the Nokia Maps application
- You can also browse the map while navigating and choose a new destination

## How to make a sale

1. Find the Nokia Maps menu: Sale -> Operator Code -> Internet & Content -> Nokia Maps
2. Follow prompts to complete sale.
3. Fold voucher and insert into Nokia Maps voucher pocket that contains the terms & conditions.

## Is it reloadable?

Nokia Maps Turn-by-Turn Licence is good for 12 months after which you will need to buy another voucher to renew your phone's ability to provide the navigation service.

## RRP

\$90.00 for the 12 month licence.

## Your Customer should be made aware that:

- To access this service their Nokia handset needs a built-in GPS or external GPS module and be compatible with Nokia Maps Turn-by-Turn navigation. To check handset compatibility go to:  
<http://www.nokia.com/maps> and click on the "Compatibility" tab for more information.
- Enter activation code into their Nokia Maps software on their handset to enable the turn-by-turn navigation.

## Void Policy

No refunds or exchanges allowed (see Terms & Conditions on back of card)
